This invaluable medicine was prepared from an extensive prace of several years in a bilious climate, and is never known to il of curing Fener and Ague, or any of the diseases above named. Those who are suffering from diseases of this kind, as also those who have become invalids from their effects upon the constitution, sill find the India Cholagogue a most invaluable remedy for puriying the blood, and thoroughly cleansing from the system the moraid affects of a bilious climate.

The wonderful operation of the Cholagogue in eradicating bile rom the human system, can only explain its extraordinary agency n the speedy, thorough and permanent cure of fever and ague, and he various grades of intermittent and remittent fevers.

From Hon. Ross Witkens, United States District Judge for the District

dr. Edward Bingham. Detroit, Oct. 30, 1841.

Dear Sir-With great pleasure I state the fact of the complete and radical cure of the Fever and Ague with which my son Wiliam was attacked, by the use, pursuant to directions of Dr. Osgood's India Cholagogue. He had as severe an arrack as I ever witnessed, and I apprehended a long winter of this disease, which vas some years ago the case when I resided at Tecomsch. But I as providentially led to notice your advertisement in relation to his medicine-determined to try it, and the use of one bottle broke he disease, and I am confident has effected a radical cure, as two south have now clapsed without a return of it, and my son is in he enjoyment of robust health. It is an invaluable medicine and should be generally known, ROSS WILKINS.

From Hon. STEPHEN V. R. TROWBRIDGE, of Michigan State Senate. BISMINGHAM, Dec. 13, 1841. Mr. Blugham-You wish me to inform you what I know of Dr. Osgood's India Cholagogue, or anti bilions medicine. I do believe that if the virtue and efficacy of this medicine were generally known. the Fever and Ague would disappear in Michigan. I procured a bottle in the spring of 1841, and have good reason t

believe that myself and family escaped the ague last spring in conequence of its use. Perhaps no summer since the settlement of this fine peninsular has the fever and ague been so prevalent as the last. I have recommended this medicine in numerous instances, and when the disease had become fixed and buffled the skill of physicians; and I have never known it feil! It has universally produced the most happy ffects, and I believe it has never been exceeded by any medicine in

Yours respectfully, STEPHEN V. R. TROWBRIDGE. From Hon. E. PARNSWORTH, Chancellor of the State of Michigan.

DETROIT, March 23 1842. Mr. Edward Bingham, Druggist, Detroit. Sir-I have made use of Dr. Osgood's India Cholagogue and have had opportunities of witnessing its salutary effects when used by others. I believe it a most valuable medicine for the cure of Jever and ague; and also that its proper use will prove a most certain preventive against its geenmence, to which persons who have been afflicted with it are liable. Very respectfully,

E. FARNSWORTH.

From Lucius Abnort, M. D., late Surgeon United States Army. PETROIT, OCL 1, 1841. To Edward Blugham, Em., Agent for the sale of the India Cholagogue-I do hereby certify that I have used the India Cholagogue prepared by Char es Osgood, M. D., for intermittent fevers, and it has exteeded my most sanguine expretations in the cure of said disease. I feel a confidence in recommending it as a perfectly safe and highly beneficial reinedy and cure for fever and ague, chill fe-

From Dr. Baker, Springfield, Washington co. Kg Messre, Sanford & Park. Springfield, Ky. May 14, 1848. Gents-I take this opportunity of informing you of a most irmarkable cure performed upon me by the use of 'Dr. Wisma's listsam of Wild Cherry." . In the year 1840 I waysaken with an inflammation of the bowels which I labored under for six weeks when I gendually recovered. In the fall of 1831 I mag attacked with a severe cold, which senied itself upon my lungs ; and for the space of three years I was confined to my bed. I tried all kinds of medicines, and every saciety of medical aid without benefit; and thus I wearied along astil the winter of 1844, when I heard of "Wistar's Balsam of Wild Cherry." My friends persuaded me to give it a trial, though I had given up all hopes of recovery and had prepared myself for the change of another world. Through their solicitations I was induced to make use of the Cenuine Wistar's Balsam of Wild Cherry. The effect was touly astonishing. After five years of affliction, pain and suf-

unavailing, I was soon restored to entire health by the blessing of God and the use of Dr. Wister's Balsam of Wild Cherry. I am now enjoying good health, and such is my altered appearance that I am no longer known when I meet my former acquaint-I have gained rapidly in weight, and my flesh is firm and solid.

Franklin, Ind., April 14, 1848. Messrs, Sanford & Park-I have but a few bottles of Wister's balsam of wild cherry remaining on hand of the last lot furnished me by you. I heretofore waited until I had sold out and had obtained the money for one lot before I ordered another. But such is the demand for the article that I do not wish to be without it, and am incretore led to anticipate a little. The money for the last lot shall be forthcoming by the time the lot is disposed of, which, from the sales I have made lately, I think will be but a short time. The effeets of the balsam are in many cases strikingly beneficial. ITH tenproves upon acquaintance more than any other Patent Medicine I have ever known.
